PRIVATE LESSONS

Dear Parents,

We enjoy the privilege of inviting a full complement of teachers to our campus to teach private music lessons to those who desire them. The level of expertise and insight these teachers provide can be used to greatly benefit the students in our program.

The cost for private lessons is $16.00 per lesson (30 minutes/once a week). Our teachers are all professional musicians who normally receive between seventeen and twenty-two dollars per lesson at other places they teach. Therefore, we consider this a great opportunity for your child to receive excellent private instruction at a reasonable price. Lessons are to be paid for in advance up to one month at a time (usually 4 lessons or $64.00), due at the beginning of the month. Private lesson statements will be distributed monthly.

This year, parents will pay the instructors directly. In most cases, lessons will begin on the week of September 8th. Thank you for your support of this program.
