August 23, 2010

Dear Parents and Students,

It is with great pride and enthusiasm that we introduce the 2010-2011 Connally High School Cougar Band Handbook. Much thought and many hours have gone into the preparation of this handbook and we hope that you will always find it useful in explaining the policies and procedures for this school year. As always, if you need more information, please do not hesitate to call or email us.

After reading the material carefully, please be sure to **sign and return the Statement of Understanding found at the end of this book by Friday, August 27th**. The Band Calendar can be found on our web-site (www.connallyband.net), and each student will be responsible for knowing the dates and times of every rehearsal, activity and performance. Please know that updates to the calendar will appear in your weekly e-group messages from Mr. Atkinson.

Respectfully,
Matt Atkinson

Fall 2010

Course Goal:

To stimulate musical and personal growth through music

Course Objectives:

1. To learn advanced techniques of playing your instrument
2. To learn advanced techniques of playing in an ensemble
3. To learn to appreciate the value of quality music in society
4. To develop qualities of leadership, citizenship, and pride in performance

Course Requirements:

1. Participate in all rehearsals without causing distractions
2. Participate in extra rehearsals, concerts, contests, and other official class activities
3. Obey all rules inside the classroom and while representing Connally High School
4. Give your best effort at all times

Course Grading Policies:

1. Performance - 40%

To receive credit for this part of the grading policy, students must participate fully in all Cougar Band activities, unless otherwise agreed to by the director, student and parent. In addition, students must have all supplies listed below at **all** rehearsals and performances.

2. Instrument Technical Competency - 40%

Students will receive grades on the following:

a. All-State Audition Music/Supplemental Etudes - 20%

All Varsity Band, JV Band and Applied Music students will have playing tests based on the All-State Audition Etudes each week. Symphonic Band students will be tested on comparable etudes selected by the directors later in the semester. All Varsity Band students are required to participate in the Region Band Audition process. JV and Symphonic Band students are highly encouraged to participate in this process. Tests on these etudes will take place during band classes on Mondays. Students may come before school on Mondays to play their tests if they do not want to play in front of the class, or if they would like two chances at that material. The higher of the two grades will go into the gradebook. Students will be evaluated on note accuracy, rhythmic accuracy, appropriate tempos, proper tone, intonation, correct articulations, and musicianship.

b. Marching Music Pass-Offs - 20%

In a Pass-Off, students will perform, for the directors, portions of their show music (memorized) with the appropriate foot and horn movements. Each movement of the show will be graded separately. Students must pass-off their music by the assigned dates. Time will be given in class that day for pass-offs, but students are highly encouraged to attempt their pass-offs before the assigned dates to ensure a grade of 92 or higher. Points will be deducted from the student's score for each playing or marching error. Grades will be assigned based upon the following scale:

No errors – 100	4 errors – 84	8 errors – 68	12 errors -52
1 error – 96	5 errors – 80	9 errors – 64	
2 errors – 92	6 errors – 76	10 errors - 60	
3 error – 88	7 errors – 72	11 errors – 56	

An official pass-off is a grade of 92 or higher. **Students may only attempt to pass-off for any director once a day.** If the student does not receive a grade of 92 or higher, they must wait until the next day to make another attempt. Once a student has completed their pass-off, they will receive a sticker to place next to their name on the Pass-Off Chart located in the Band Hall. Students who do not complete their pass-offs on time will not be able to use their instruments for that week's

performances. If a student is continually behind on their pass-offs, they may be moved to a “B” spot. Here are the due dates for this year’s pass-offs:

- Part One (All) – Thursday, August 19th
- Part Two (All) – Thursday, August 26th
- Part Three (All) – Thursday, September 2nd
- Part Four (All) – Thursday, September 16th
- Part Five (All) – Thursday, September 30th

c. Audition For Spring Concert Bands – 20%

In November, all band students will audition for the Spring by performing either a portion of the All-State Audition Etudes (Varsity and JV Band), or comparable etudes selected by the directors (Symphonic Band and Applied Music). These auditions will take place after school, and the results of these auditions will determine band placement and chair order for the Spring semester. In some cases, Region Band audition results may also affect these placements. Students will be placed in their new Band classes beginning in January, and will then audition again in May for Fall placement.

3. Leadership and Citizenship - 20%

To receive credit for this part of the grading policy, students must participate fully in the Cougar Band. Students must attend all rehearsals and performance, unless prior arrangements have been made between the student and a director.

Students will be given periodic materials checks during their band class. Each student must have the course materials listed below at all rehearsals:

Woodwinds/Brass:

Indoor Rehearsals - Instrument, 3 reeds (for WWs), mouthpiece, music, lyre, flip folder, pencil, metronome/tuner, instrument cleaning and maintenance materials

Outdoor Rehearsals – instrument, 3 reeds, mouthpiece, sunglasses, hat, shorts, T-shirt, athletic tie shoes, water bottle, sunscreen, coordinate sheet

Percussion: set of 4 marimba mallets in good condition, a pair of medium timpani mallets in good condition, a pair of snare drum sticks in good condition, music, shades, hat, shorts, T-shirt, athletic tie shoes, water bottle, sunscreen, coordinate sheet, pencil

Course Philosophy:

The Connally High School Band strives to demonstrate outstanding *Musicianship* through performance. This is achieved through intensive study of quality wind literature in private lessons, performance solos, small ensembles and full ensembles. Perseverance and commitment to the CHS Band leads to *Excellence* in the individual members and the community. Participation in large ensembles requires students to interact effectively and efficiently with their peers while learning *Respect* for themselves and others through diligent work and cooperation. *Musicianship*, *Excellence*, and *Respect* in the band community lead to personal and community *Pride*, which becomes an integral part of every student’s outward and inward self. *Pride* in yourself and your band increases effort and appreciation for the great art of music, which is an essential part of every student’s education.

The student will arrive at the school early enough to be at all rehearsals on time. In addition, students must have all supplies listed below at **all** rehearsals and performances, and must be wearing the proper attire for rehearsals. Students will be graded on their contribution to the organization and the ideals the CHS Band strives to attain through all performances and events.

2. Choreographic Competency – 45%

Band Rehearsal Guidelines and Student Conduct

1. NO food, gum, or drinks are allowed in the band hall or instrument room
2. Enter the band hall calmly and quietly

3. Students should not enter the band hall unless a director is in the vicinity.
4. Be seated with your instrument, music, and pencil two minutes after the tardy bell has rung.
5. Show good rehearsal etiquette by being a good team player. Remain on task at all times; do not talk or interrupt the focus of the rehearsal. Raise your hand and ask questions if you need individual help. Maintain proper posture at all times.
6. Band Members are not allowed to touch, spin or play with Color Guard equipment.
7. Be mindful and respectful of groups that are rehearsing in the band hall and do not disturb their rehearsal time.
8. Do not leave books, purses or other valuables unlocked in the band hall or in your instrument slot. The Band Department is not responsible for personal items stored anywhere in the Band Hall. Students are advised to lock all valuables in their assigned school locker.
9. Students are solely responsible for the care and maintenance of their assigned equipment. All instruments and equipment are to remain in their cases, with shut latches, when not in use. Students should have their names on the outside of their instrument cases in a visible place. Be sure that your serial number, make and model are written down at home. Students will be held responsible for any damage to the instrument or equipment, outside of the normal wear and tear.
10. Take proper care of your band uniform. Failure to properly care for your uniform may disqualify a student from lettering that year (i.e. all parts in place, returned on time, etc.)
11. Instrument slots shall remain clean. No food should be left in the slots. Marching shoes and rehearsal clothes must be stored in your band bag during marching season. Any items left on the floor will be discarded at the end of the day.
12. The practice rooms are for the convenience of our private lesson staff and for those who use them for instrument practice. They are not to be used by any other person or for any other reason besides practicing or music pass-offs.
13. Students should not enter the directors' office without permission. Please knock and wait for a response. No student is to use the band office computers/phone/copier without permission.
14. Please be considerate of the directors' requests for assistance and/or performance of tasks around the band hall.
15. Band members serve as goodwill ambassadors for the school and the community. Polite and courteous behavior is a credit to the band organization, to the school, and to the parents. Be respectful at all times.
16. Follow all school and district rules. Any infraction of conduct, attitude, or responsibility will be dealt with in one or more of the following manners:
 - a. Conference with student
 - b. Conference with parent
 - c. Conference with grade-level principal
 - d. Probationary contract
 - e. Expulsion from band program
 - f. Other (as designated by school administration)

Our goal as a staff is to ensure that all students are treated fairly. Please call one of our directors if you have any concerns. We will work with you to resolve problems. We are here to provide a quality music education for all our students.

The Connally Cougar Marching Band

The Cougar Marching Band is the largest organization on the Connally campus. It performs at all varsity football games, parades, contests and occasional other appearances. The Cougar Marching Band is open to any student who has passed a proficiency audition or has director approval.

Marching Band Assignments

Once a student has been accepted into the marching band, he/she must pass a series of playing and marching evaluations and maintain passing grades in all courses. Since our marching band drills are pre-designed for a fixed instrumentation, it may be necessary to rotate some players in and out of a spot in the show from week to week. In order for a student to qualify for an “A” spot in our marching performances, they must demonstrate musical and marching mastery as determined by the directors. Students who do not meet the necessary criteria will be assigned to a “B” spot until the necessary criteria are met. Students will be evaluated based upon music pass-offs and marching fundamentals. Every effort will be made for every student to march in at least one performance, provided the student has demonstrated proficiency on their music pass-offs and marching fundamentals to a director.

Rehearsal Schedule and Attendance

Summer band rehearsals begin approximately three weeks before school starts. Throughout the football season, full marching band rehearsals will be held Tuesdays (7:10am-8:30am and 5:00pm-7:30pm), Wednesdays (7:10am-8:30am), Thursdays (7:10am-8:30am), and Fridays (7:10am-8:30am and 4:45pm-5:30pm on Home Game days).

Freshmen Band Camp will be held in May. The purpose of this camp is to teach basic marching and playing fundamentals, and to prepare new members for assimilation into full summer band. Attendance is mandatory for all freshman band members and all Connally Band student leaders.

As a member of the Connally Band, you have an obligation to your fellow band members to be at all rehearsals, on time, and with the necessary equipment and materials. Students are expected to attend all rehearsals, sectionals and performances. Unexcused absences will jeopardize one’s position in the marching band. Note the band calendar and clear all the performance dates now! Mr. Atkinson must be given at least one week’s advanced notice of a student’s absence from band practices and/or performances.

Marching Rehearsal Safety

Students’ attire for all marching band rehearsals includes shorts, a light colored T-shirt, hat or cap, tennis shoes, and socks. Sunglasses and the use of sunscreen are also strongly encouraged. Students must bring an individual water bottle clearly labeled with their name to all rehearsals. Water bottles will be kept close, and frequent water breaks will be taken. Students should let a director know if they feel dizzy or weak. During rehearsals, the directors will constantly monitor the weather conditions and make adjustments as necessary for the safety of the students.

Band Uniforms

The band uniform should always be worn with pride! The uniform must never be worn incorrectly. These uniforms are new and in good condition, and they must be kept that way. Band uniforms are maintained in the band hall and will not be issued to take home. They must be returned in the condition they were found after each performance. Absolutely no eating in uniform! Each band member will be issued:

- a. Marching jacket
- b. Bib pants
- c. Shako (plumes issued at performance and are NEVER to be handled by students)
- d. Gauntlets

It is the responsibility of each band member to provide the following for every performance:

- a. Black MTX marching shoes
- b. Knee high black socks (no patterns or other colors)
- c. Black gloves
- d. “One World, One Tribe” Spirit Shirt

Football Game and Marching Contest Procedures

1. FRIDAY AFTERNOONS:

Here is the typical schedule for a Friday night home game:

- 4:15pm – School ends
- 4:45pm – Rehearsal at the stadium
- 5:30pm – Dinner

6:30pm – Inspection (have uniforms/instruments ready)
6:45pm – Parade Line-Up Behind Band Hall
7:00pm – Pregame
7:30pm – Game begins
8:30pm – Half-time
10:00pm – March back to Band Hall

You will have little time between dinner and inspection, so you will need to come to school that morning with everything you need for the football game. It's a good idea to pack a sack lunch and a drink. Some parents also choose to bring their students something to eat during the break between practice and inspection. **No student is allowed to leave campus during this time.** Choose the plan that best suits your schedule, but whichever you do, be sure to eat something before we line-up for the parade into the stadium. **REMEMBER: THERE IS TO BE NO EATING IN THE BAND HALL – USE THE CAFETERIA!**

Make sure you have everything you need for the game before you come to school on Friday:

- Band:**
- black marching shoes and black socks
 - spirit shirt for under your uniform
 - flip folder, lyre and music
 - instrument
- Guard:**
- uniform
 - gloves
 - all equipment
 - tape
 - shoes
 - black socks
 - performance make-up (Color Guard)

2. **UNIFORMS:** All uniforms will remain in the uniform closet except when in use. Make sure you get to the band hall early enough on game and contest days so that you have time to get your uniform and everything else you need for a performance.

Keep track of YOUR hanger!!! Each hanger has a number that corresponds to your uniform number, so that you don't get yours mixed up. Leave your hanger on your assigned spot on the uniform rack so that it does not get lost.

After the game, make sure your bibbers are properly hung on the hanger and placed on the rack.

3. **INSPECTION:** When inspection is held, students will be inspected for the following:
- a. Proper wear, fit, and condition of uniform and all necessary uniform parts (socks, shoes, gloves, etc.)
 - b. Condition of equipment
 - Brass: horns polished
 - Woodwinds: horns polished, at least three good reeds
 - Percussion: sticks/mallets (taped correctly); drum cleaned
 - Color Guard: all equipment properly weighted and taped; all silks checked for wear and tear
 - c. Music folder in good condition, properly labeled, with all of the necessary music in the correct order
 - a. No exposed jewelry
 - b. No distracting makeup (basic neutral facial makeup allowed)
 - c. No fingernail polish or visible pen/marker markings on hands or elsewhere
 - d. All hair should be neatly kept so that it does not reach the collar of the uniform

Consequences:

First Offense - If a student is late for inspection, or fails inspection by not meeting one or more of the criteria above, they will not be allowed to play in the stands that evening. They will sit with the band director for the entire game.

Second Offense - If a student is late for inspection, or fails inspection by not meeting one or more of the criteria above, they will not be allowed to play in the stands that evening. They will sit with the band director for the entire game. They will also not be allowed to march at halftime.

Third Offense – Parent conference

4. **LOADING:** For those whose instruments are loaded onto the equipment truck, be at the school at the designated time to have your instrument packed and at the loading area. Instruments are to be placed at the designated area in the band hall. The loading crew's responsibility is to load the equipment that is placed in the loading area, not to come into the instrument rooms to get anything. Upon return to the school after the game or contest, you are to pick up your instrument from the loading area

outside. It is no one's job to bring your instrument into the band hall but yours. The following instruments are **not** to be loaded onto the equipment truck: Flutes, Clarinets, and Trumpets in gig bags. Take these on the bus with you.

5. **BUS RIDES:** All transportation to games and competitions (with the exception of some contests) will be on school busses. Even though there will be adult chaperones on each bus, the bus driver is the one in charge and we are to do whatever they say, PERIOD. Remember that some drivers are less tolerant than others. Here are some general rules to follow regarding bus transportation:

- Only private ipods, walkmans, or CD players with headphones are permitted. Those that have external speakers are not.
- No eating or drinking on the school buses (unless specified by the band directors for certain long-distance trips)
- Remain seated at all times
- Talking is to be kept at a reasonable level. Screaming, yelling, etc. is not acceptable.
- Keep all parts of the body inside the bus at all times
- Bus lists will be made prior to the first game and you must remain on your assigned bus
- Remain quiet until the bus reaches Howard Lane or Lamar Blvd

6. **ALTERNATE TRANSPORTATION:** If for some reason you need to ride with your parents either to or from a band-sponsored event, you are **required** to give a completed One Way Form to Mr. Atkinson **AT LEAST TWO DAYS BEFORE THE SCHEDULED EVENT**. This should only be used in situations where no other transportation alternative is available. This policy may seem strict, but it is enforced to protect our students. Only an adult driver has permission to take you to or from an event. Student drivers holding a valid driver's license **MAY NOT** transport any student other than themselves. When leaving the event with parents, it is imperative that you let the band directors know you are leaving, so that we can be certain you have left with your parents. You must either take your instrument with you or see to it that someone will bring it in from the loading area for you.

7. **ARRIVAL AT THE STADIUM:** The first people to get off the buses are the directors. Everyone else is to remain on board until instructed to unload. Once everything is unloaded, you are to quickly line up for stadium entry. **You must be completely dressed in uniform by the time we line up. No unzipped bibbers, jackets or baseball hats!** In general, we line up in the order that we sit in the stadium from top to bottom, beginning with tubas and low brass, followed by horns and trumpets. The Color Guard generally has the first two rows, depending on the stadium. As we march into the stadium, we will do so in a dignified manner and everyone will remain standing in their places in the stands until instructed to sit down. Water will be distributed immediately after the game begins.

8. **IN THE STANDS:**

- a. Once in the stadium, you are to remain in your designated place **IN YOUR SECTION** until time to depart for half-time or depart from the game. Non-band members are **NOT ALLOWED** in the band seating area at any time.
- b. All students must have their music in a flip folder. Always have your instrument ready and watch closely for cut-offs in the music, as the band will sometimes stop playing in the middle of a song.
- c. No food, drink or gum is allowed while the band is in the stands.
- d. You must have permission from a director or the Drum Major to use the restroom. Never go to the restroom alone - always go with at least one other person. Return quickly from the restroom so that others may go. Students are not allowed to visit the concession stands while out.
- e. Do not play your instrument unless the entire band is performing. Percussion is allowed to play drum cadences authorized by the Drumline Section Leader.

9. **CONDUCT:** You must remember that from the moment we are off the busses, we are performing. You are expected to act in a dignified manner. During pre-game, we will stand while the other school's alma mater is being played. We will also stand respectfully while the National Anthem is being played. While we are on the sideline waiting for the half-time performance, you are expected to stand quietly. After the half-time performance, we will either proceed in an orderly manner back to the stands, or you will stand quietly in a relaxed parade rest while the home band performs.

You are part of a fine organization and are expected to act accordingly. At no time should anyone do anything or say anything that could reflect negatively on the group in general. Remember that these events are school-sponsored activities and general rules of conduct will apply, but because we are in uniform, you are expected to conduct yourself better than the average student.

Concert Season and Trip Information

School Instruments

Certain instruments are available through PISD for rental for the school year. The cost of rental is \$60.00 for the school year. Any damage to an instrument beyond the normal wear and tear will be charged to the student/parent.

Band Auditions

There will be two major auditions each year to place students in band classes and/or to assign chair placement within each ensemble. Students will audition in May for the following fall semester and in November at the conclusion of the regular marching season for the following spring semester. Students will be evaluated by the directors at these auditions. Student chair placement within a band may change during the semester at the director's discretion based on performance, attitude, or lack of participation in the Region Band process (Varsity and JV Band only).

All District/All Region/Area/All State Band

All Varsity Band members are required to participate in the Region Band audition process. JV and Symphonic Band members are highly encouraged to participate in this process as well. Region Auditions take place during the first week of December.

UIL Solo and Ensemble Contest

Band members are encouraged to participate in the UIL Solo & Ensemble Contest on February 5th, 2011. Students are responsible for preparing their music for the competition, as very little class time will be allowed for this. Students may schedule times before or after school to pick out music and to receive help with their preparation. They may also work on the music with a private lesson teacher. The deadline for entries is in December. Almost all solos require piano accompaniment, and you may acquire your own accompanist or arrange one through the band directors. There will be a fee set by the accompanist. Students entering a Class I solo may qualify for the State Solo/Ensemble Contest by performing their solo by memory and receiving a Division I rating. Class I ensembles may also qualify if they earn a Division I rating.

Band Trip

This year, the Connally Band will be taking a one-day, in-state Trip. This trip will most likely occur in April. Possible destinations for this trip include Schlitterbahn in New Braunfels, Fiesta Texas in San Antonio, or Six Flags Over Texas in Arlington. Formalized trip itineraries and exact package prices will be available in early October.

Extracurricular Trip Rules for Students

The sponsor shall function as the designated administrator in charge of the activity when an administrator is not present. Any violation of rules may result in penalties provided under the Connally High School Code of Student Conduct, the Connally Cougar Band Handbook and/or the student being returned to Pflugerville ISD or the nearest available transportation terminal at the parent's expense.

All district and respective campus rules apply as well as the rules of the Connally Cougar Band.

If illegal activity results in detention by authorities, parents shall have responsibility for all intervention, counsel and transportation.

All medications shall be checked in with the designated trip chaperone who will oversee safekeeping and dispensing.

Curfew will be established nightly and adhered to strictly by all students.

Students must stay in assigned rooms. No sexual or other improper activity is tolerated from students on overnight trips. No students are allowed in rooms of the opposite sex. Only participating PISD students are allowed in PISD rooms. Students must notify sponsor/chaperone of their whereabouts at all times if they are in a location other than their assigned room.

No phone calls are allowed between rooms after curfew. No long distance calls are to be made from hotel rooms.

No pay-per-view is allowed.

The sponsor will conduct a mandatory meeting with parents/chaperones prior to the trip. Failure of the parent to attend the meeting may result in the student and parent not participating in the activity.

Malicious or willful damage/theft of property by a student shall result in the student being returned to the District. Parents and students shall assume full financial responsibility for damages, transportation and any other associated costs.

Luggage and personal items are subject to search shall result being returned to the District officials and/or chaperones have reasonable suspicion that the luggage or personal items contain illegal items.

Applied Music (2nd Period)

Applied Music is a fundamentals-based class that focuses on individual instrumental instruction. Students will develop their musical skills on their instruments by concentrating on mastery of scales, rhythmic instruction, tone production and sight-reading skills. This course is offered to any student needed individualized attention.

Marching Band (0 hour)

Prerequisite: Audition and approval by director

Marching Band is the musical and visual production of the bands in the fall semester. Students will perform at the high school football games and local, state, and national competitions. Students will learn the basics of marching & maneuvering, and musicianship. Marching Band meets before and after school. All Band students should sign up for this class.

Private Lessons

Connally High School offers a full staff of private lesson instructors. These highly qualified teachers are specialists on their particular instruments. Private Lessons offer the students the opportunity to study at their own pace. If they need extra assistance on fundamentals, the private lesson instructors help to supplement their daily assignments. If the student feels they would like to push forward to upper level studies, the instructors will help in this process. In either case, individual instruction can only help! If there is a financial hardship, please speak with Mr. Atkinson. We do not want money to be a barrier to any student getting the instruction they desire.

Private lessons are usually 25-30 minutes long, once a week. Most lessons are scheduled during band class period although some lessons will be before school or after school. If a student is unable to attend a lesson, they are expected to communicate with the private instructor 24 hours in advance. If advanced notice is not given and the student does not show up for the lesson, payment for that lesson is still required.
